"It's not that the Irish are cynical. It's rather that they have a wonderful lack of respect for everything and everybody" - Brendan Behan

Dreams Of Freedom

Wedding Drinks Reception Review

Lads, what can I say! Since we booked the wedding there was never a question of who we wanted to book to play our drinks reception, and as always ye totally exceeded all our expectations. Ye set the tone and the bar high for what ended up as the most fantastic day. From the start ye injected an energy into the crowd which lasted throughout the night. From our collective and fantastic rendition of Grace to the spine tingling Loansome Boatman ye covered it all. People can't talk any more highly of ye and still do almost a month out. Thank ye so much for being part of our day and beginning the celebrations in such style.

Ye entertained us throughout Covid and nearly every Friday night since in the Brogue, it was an absolute pleasure having ye as part of our must wonderful day. Thanks for the memories and can wait for many more!

Show Recommendation

We highly recommend Dreams of Freedom! We visited Dingle, Ireland for my nephew's wedding and saw them in The Dingle Pub. The storytelling, music and interaction with the audience was amazing! We can't wait until they come to Pennsylvania, USA. They are a must see band!
